- ❖ construction of data transmission networks;
- ❖ use of data transmission networks;
- ❖ provision of data transmission network services;
- ❖ design of broadcasting (broadcasting) networks;
- ❖ construction of broadcasting (broadcasting) networks;
- ❖ use of broadcasting (broadcasting) networks;
- ❖ providing services of broadcasting (broadcasting) networks.

### Consideration of the application:

- ❖ within 10 business days.

### State fee:

- ❖ for consideration of application: 1 BEA – 340,000.00 UZS;
- ❖ for issuing of License: from 2 BEA up to 140,000 BEA depending on the types of specializations.

### Validity of the License:

- ❖ for a license to use and provide services of television and radio broadcasting (broadcasting) networks – 5 years;

- ❖ for a license for the use of mobile radiotelephone (cellular) communication networks and the provision of services – 15 years;
- ❖ for other types of licenses – unlimited.

**Monthly charges (fees):**

- ❖ Does not exist.

**Documents to be submitted for obtaining a license:**

- ❖ Application (the Application is formed through <https://license.gov.uz/>);
- ❖ information on the ranges and denominations of radio frequencies, the territory of service provision;
- ❖ list of technical tools necessary for design and construction works;
- ❖ network organisation and development plan;
- ❖ broadcasting concept;
- ❖ a conclusion of an authorised body on the object's compliance with the protection requirements or a copy of the contract on the protection of the object;
- ❖ information of the relevant authority on the possibility of using the given frequencies and the description, power and characteristics of the transmitting devices;
- ❖ a document (agreement) confirming the consent of the foreign mass media (or the right holder) for the distribution of foreign television and radio products.

## LICENSE FOR STOCK EXCHANGE ACTIVITY

### **Legal basis:**

Annex No. 16 to the unified Regulation on the procedure for licensing certain types of activities through a special electronic system (RCM No. 80 dated 21 February 2022) [<https://lex.uz/docs/-5870213#-5872929>]

### **Licensing organ:**

- ❖ Ministry of the Economy and Finance of the Republic of Uzbekistan.

### **Applicants:**

- ❖ Legal entities in the form of Joint-stock companies.

### **Specialisations:**

- ❖ activity of stock exchange and organizer of over-the-counter trading with securities.

### **Consideration of the application:**

- ❖ within 20 business days;

### **State fee:**

- ❖ for consideration of the application: 4 BEA – 1,360,000.00 UZS;
- ❖ for issuing of License: 4 BEA – 1,360,000.00 UZS.

### **Validity of the License:**

- ❖ unlimited.

### **Monthly charges (fees):**

- ❖ Does not exist.

### **Documents to be submitted for obtaining a license:**

- ❖ Application (the Application is formed through <https://license.gov.uz/>);
- ❖ a copy of the balance sheet as of the date of the last report accepted by the tax authority (except for newly established legal entities);
- ❖ an electronic copy of the rules of trading with stock exchange goods;
- ❖ a bank certificate confirming the formation of the charter fund of not less than the specified minimum amount of the charter fund.

## **LICENSE FOR THE ACTIVITIES OF PRIVATE EMPLOYMENT AGENCIES TO EMPLOY JOB SEEKERS OUTSIDE THE REPUBLIC OF UZBEKISTAN**

### **Legal basis:**

Annex No. 17 to the unified Regulation on the procedure for licensing certain types of activities through a special electronic system (RCM No. 80 dated 21 February 2022) [<https://lex.uz/docs/-5870213#-5872953>]

### **Licensing organ:**

- ❖ Ministry of Employment and Poverty Reduction of the Republic of Uzbekistan.

### **Applicants:**

- ❖ Legal entities.

### **Specialisations:**

- ❖ Activities of private employment agencies to place jobseekers outside the Republic of Uzbekistan.

### **Consideration of the application:**

- ❖ within 15 business days;

### **State fee:**

- ❖ for consideration of the application: 5 BEA – 1,700,000.00 UZS;
- ❖ for issuing of License: 3 BEA – 1,020,000.00 UZS.

### **Validity of the License:**

- ❖ Unlimited.

### **Monthly charges (fees):**

- ❖ Does not exist.

### **Documents to be submitted for obtaining a license:**

- ❖ Application (the Application is formed through <https://license.gov.uz/>);
- ❖ documents confirming the creation of the necessary conditions for activities stipulated in the license.

## **LICENSE FOR THE ACTIVITIES FOR REPAIRING, CONSTRUCTION AND INSTALLATION WORK AT HEIGHTS USING INDUSTRIAL MOUNTAINEERING METHODS**

### **Legal basis:**

Annex No. 18 to the unified Regulation on the procedure for licensing certain types of activities through a special electronic system (RCM No. 80 dated 21 February 2022) [<https://lex.uz/docs/-5870213#-5872966>]

### **Licensing organ:**

- ❖ Ministry of Construction of the Republic of Uzbekistan.

### **Applicants:**

- ❖ Legal entities.

### **Specialisations:**

- ❖ Activities on repair works at heights using industrial climbing methods;
- ❖ Performing construction and installation works at heights using industrial climbing methods.

### **Consideration of the application:**

- ❖ within 10 business days (*starting from March 2024, this period will be decreased to 7 business days*);

### **State fee:**

- ❖ for consideration of application: 1 BEA – 340,000.00 UZS;
- ❖ for issuing of License: 10 BEA – 3,400,000.00 UZS.

### **Validity of the license:**

- ❖ unlimited.

### **Monthly charges (fees):**

- ❖ Does not exist.

### **Documents to be submitted for obtaining a license:**

- ❖ Application (the Application is formed through <https://license.gov.uz/>);
- ❖ the list of specialists who have the right to carry out repairs, construction and installation works in the height of industrial mountaineering methods;
- ❖ descriptions of technical means necessary to perform work in the methods of industrial alpinism at heights.

## LICENSE FOR THE ACTIVITIES FOR DESIGNING, CONSTRUCTION AND REPAIR OF BRIDGES AND TUNNELS

### Legal basis:

Annex No. 19 to the unified Regulation on the procedure for licensing certain types of activities through a special electronic system (RCM No. 80 dated 21 February 2022) [<https://lex.uz/docs/-5870213#-5872980>]

### Licensing organ:

- ❖ Ministry of Construction and Housing and Communal Services of the Republic of Uzbekistan.

### Applicants:

- ❖ Legal entities.

### Specialisations:

- ❖ Designing of bridges and tunnels;
- ❖ Construction of bridges and tunnels;
- ❖ Repair of bridges and tunnels.

### Consideration of the application:

- ❖ within 20 business days (*starting from March 2024, this period will be decreased to 10 business days*);

### State fee:

- ❖ for consideration of application: 1 BEA – 340,000.00 UZS;
- ❖ for issuing of License: 5 BEA – 1,700,000.00 UZS.

### Validity of the license:

- ❖ unlimited.

### Monthly charges (fees):

- ❖ Does not exist.

### Documents to be submitted for obtaining a license:

- ❖ Application (the Application is formed through <https://license.gov.uz/>);
- ❖ list of employees engaged in the design, construction and repair of bridges and tunnels;
- ❖ brief description of equipment, tools, inventory, mechanization, transportation, control and measurement devices and alarm devices.

## LICENSE FOR DESIGN, CONSTRUCTION AND OPERATION OF HIGH-RISK FACILITIES AND POTENTIALLY HAZARDOUS INDUSTRIES

### Legal basis:

Annex No. 20 to the unified Regulation on the procedure for licensing certain types of activities through a special electronic system (RCM No. 80 dated 21 February 2022) [<https://lex.uz/docs/-5870213#-5873021>]

### Licensing organ:

- ❖ Ministry of Construction and Housing and Communal Services of the Republic of Uzbekistan.

### Applicants:

- ❖ Legal entities.

### Specialisations:

- ❖ Design of high-risk facilities and potentially hazardous industries;
- ❖ Construction of high-risk facilities and potentially hazardous industries;
- ❖ Utilisation of high-risk and potentially hazardous production facilities.

### Consideration of the application:

- ❖ within 20 business days (*starting from March 2024, this period will be decreased to 14 business days*);

### State fee:

- ❖ for consideration of application: 1 BEA – 340,000.00 UZS;
- ❖ for issuing of License: 10 BEA – 3,400,000.00 UZS.

### Validity of the license:

- ❖ unlimited.

### Monthly charges (fees):

- ❖ Does not exist.

### Documents to be submitted for obtaining a license:

- ❖ Application (the Application is formed through <https://license.gov.uz/>);
- ❖ list of employees engaged in the design, construction and repair of bridges and tunnels;
- ❖ brief description of equipment, tools, inventory, mechanization, transportation, control and measurement devices and alarm devices.

## LICENSE FOR THE ACTIVITIES FOR THE DEVELOPMENT OF ARCHITECTURAL AND URBAN PLANNING DOCUMENTATION

### Legal basis:

Annex No. 21 to the unified Regulation on the procedure for licensing certain types of activities through a special electronic system (RCM No. 80 dated 21 February 2022) [<https://lex.uz/docs/-5870213#-5873038>]

### Licensing organ:

- ❖ Ministry of Construction and Housing and Communal Services of the Republic of Uzbekistan.

### Applicants:

- ❖ Legal entities.

### Specialisations:

- ❖ development of documents on planning the development of the territory and parts of the territory of the Republic of Uzbekistan;
- ❖ Development of documents on regional development planning of the regions of the Republic of Uzbekistan;
- ❖ development of documents on the development of settlement areas;
- ❖ development of documents on the construction of settlement areas;
- ❖ performing engineering and technical searches (except for engineering and geodetic searches) for construction objects;
- ❖ development of project-estimate documents of objects and complexes for housing and household construction, including the design of their engineering networks and systems;
- ❖ development of project-estimate documents of objects and complexes for industrial construction, including the design of their engineering networks and systems;
- ❖ development of project-estimate documents of objects and complexes for the construction of water management, including the design of their engineering networks and systems;
- ❖ development of project-estimate documents of objects and complexes for the construction of agriculture, including the design of their engineering networks and systems (*an obligatory requirement to obtain a license for this type of activity will be cancelled from 1 March, 2024*);
- ❖ design of energy construction and communication objects and complexes, including design of their engineering networks and systems;
- ❖ design of transport and road construction objects and complexes, including design of their engineering networks and systems;
- ❖ design of main engineering networks (except main gas pipelines, oil pipelines and pipelines of oil products);
- ❖ development of project-estimate documents for construction, reconstruction and repair of public highways;
- ❖ documents for the repair of architectural monuments.
- ❖ Designing the section “Bases and foundations of objects”;
- ❖ design of the department “Metal constructions”;
- ❖ design of the department “Constructions of reinforced concrete objects”;
- ❖ design of special objects and structures;
- ❖ project-estimate documents for perfect and current repair of construction objects;
- ❖ inspection of the technical condition of buildings and structures;

- ❖ development of project-estimate documents for strengthening of buildings and structures;
- ❖ development of corrosion protection;
- ❖ design engineering networks and systems of buildings and structures
- ❖ preparation of tender documents for the purchase of goods, works and services in perfect construction (*an obligatory requirement to obtain a license for this type of activity will be cancelled from 1 March, 2024*).

**Consideration of the application:**

- ❖ within 7 business days.

**State fee:**

- ❖ for consideration of the application: 3 BEA – 990,000.00 UZS;
- ❖ for issuing of License:
  - Development of documents on planning the development of the territory of the Republic of Uzbekistan and parts of its territory – 50 BEA – 17,000,000.00 UZS;
  - development of documents on regional development planning of the Republic of Uzbekistan – 50 BEA – 17,000,000.00 UZS;
  - development of documents on the development of settlements – 40 BEA – 13,600,000.00 UZS;
  - development of documents on the construction of settlement areas – 40 BEA – 13,600,000.00 UZS;
  - performing engineering and technical searches for construction objects (except for engineering and geodetic searches) – 50 BEA – 17,000,000.00 UZS;
  - to develop project-estimate documents for the construction of objects and complexes intended for residential civil purposes, including the design of their engineering networks and systems – 75 BEA – 25,500,000.00 UZS;
  - development of project-estimate documents for the construction of industrial objects and complexes, including the design of their engineering networks and systems – 75 BEA – 25,500,000.00 UZS;
  - development of project-estimate documents for the construction of facilities and complexes intended for water management, including the design of their engineering networks and systems – 50 BEA – 17,000,000.00 UZS;
  - development of project-estimate documents for the construction of objects and complexes intended for agriculture, including the design of their engineering networks and systems – 30 BEA 10,200,000.00 UZS;
  - development and design of energy construction and communication objects and complexes, including the design of their engineering networks and systems – 40 BEA – 13,600,000.00 UZS;
  - design of transport and road construction objects and complexes, including design of their engineering networks and systems – 50 BEA – 17,000,000.00 UZS;
  - design of main engineering networks (except main gas pipelines, oil pipelines and pipelines of oil products) – 50 BEA – 17,000,000.00 UZS;
  - development of project-estimate documents for the construction, reconstruction and repair of public highways – 50 BEA – 17,000,000.00 UZS;

- development of documents for the repair of architectural monuments – 20 BEA – 6,800,000.00 UZS;
- Designing the section “Bases and foundations of objects” – 40 BEA – 13,600,000.00 UZS;
- Designing of the department “Metal constructions of objects” – 40 BEA – 13,600,000.00 UZS;
- Designing of the section “Reinforced concrete structures of objects” – 40 BEA – 13,600,000.00 UZS;
- design of special objects and structures – 50 BEA – 17,000,000.00 UZS;
- development of project-estimate documents for perfect and current repair of construction objects – 30 BEA – 10,200,000.00 UZS;
- inspection of the technical condition of buildings and structures – 50 BEA – 17,000,000.00 UZS;
- development of project-estimate documents for strengthening of buildings and structures – 40 BEA – 13,600,000.00 UZS;
- development of corrosion protection – 40 BEA – 13,600,000.00 UZS.

**Validity of the license:**

- ❖ unlimited.

**Monthly charges (fees):**

- ❖ Does not exist.

**Documents to be submitted for obtaining a license:**

- ❖ Application (the Application is formed through <https://license.gov.uz/>);
- ❖ referral on diplomas of chief engineers and project architects, chief and leading specialists with knowledge in the field.

## LICENSE FOR THE ACTIVITIES FOR DEVELOPMENT, PRODUCTION AND SALE OF CRYPTOGRAPHIC INFORMATION PROTECTION MEANS

### Legal basis:

Annex No. 22 to the unified Regulation on the procedure for licensing certain types of activities through a special electronic system (RCM No. 80 dated 21 February 2022) [<https://lex.uz/docs/-5870213#-5873054>]

### Licensing organ:

- ❖ State Security Service of the Republic of Uzbekistan.

### Applicants:

- ❖ Legal entities.

### Specialisations:

- ❖ Sales of cryptographic means of information protection;
- ❖ Production of cryptographic information protection;
- ❖ Development of cryptographic information protection.

### Consideration of the application:

- ❖ within 30 business days;

### State fee:

- ❖ for consideration of the application: 2 BEA – 680,000.00 UZS;
- ❖ for issuing of License: 5 BEA – 1,700,000.00 UZS.

### Validity of the license:

- ❖ unlimited.

### Monthly charges (fees):

- ❖ Does not exist.

### Documents to be submitted for obtaining a license:

- ❖ Application (the Application is formed through <https://license.gov.uz/>);
- ❖ information about specialists indicating the speciality, the position they hold, and the length of work on the licensable activity.

## LICENSE FOR THE ACTIVITIES FOR THE ACTIVITIES OF RELIGIOUS EDUCATIONAL INSTITUTIONS

### Legal basis:

Annex No. 23 to the unified Regulation on the procedure for licensing certain types of activities through a special electronic system (RCM No. 80 dated 21 February 2022) [<https://lex.uz/docs/-5870213#-5873065>]

### Licensing organ:

- ❖ Committee on Religious Affairs under the Cabinet of Ministers of the Republic of Uzbekistan.

### Applicants:

- ❖ Legal entities.

### Specialisations:

- ❖ Activities of religious educational institutions.

### Consideration of the application:

- ❖ within 30 business days;

### State fee:

- ❖ for consideration of the application: 3 BEA – 1,020,000.00 UZS;
- ❖ for issuing of License: 10 BEA – 3,400,000.00 UZS.

### Validity of the license:

- ❖ unlimited.

### Monthly charges (fees):

- ❖ Does not exist.

### Documents to be submitted for obtaining a license:

- ❖ Application (the Application is formed through <https://license.gov.uz/>);
- ❖ petition of the central management body of religious organizations in the Republic of Uzbekistan;
- ❖ Passport of a religious educational institution in the form approved by the Committee on Religious Affairs of the Republic of Uzbekistan;
- ❖ documents confirming the property right or other material right to the buildings (rooms) where licensed activities are carried out, as well as the compliance of the indicated buildings (rooms) with the specified requirements;
- ❖ educational concept, educational plans and programs;
- ❖ documents confirming the availability of material funds (or their exact source) necessary to ensure the educational process;
- ❖ list of religious educational institutions, including foreign religious educational institutions, whose graduates can be assigned to teach religious subjects;
- ❖ a copy of documents on the religious education of persons teaching religious subjects.

## LICENSE FOR THE ACTIVITIES FOR PROFESSIONAL ACTIVITIES ON THE SECURITIES MARKET

### Legal basis:

Annex No. 24 to the unified Regulation on the procedure for licensing certain types of activities through a special electronic system (RCM No. 80 dated 21 February 2022) [<https://lex.uz/docs/-5870213#-5873074>]

### Licensing organ:

- ❖ Ministry of the Economy and Finance of the Republic of Uzbekistan.

### Applicants:

- ❖ Legal entities.

### Specialisations:

- ❖ Activities of an investment intermediary;
- ❖ Activities of trustee of investment assets.

### Consideration of the application:

- ❖ within 20 business days;

### State fee:

- ❖ for consideration of the application: 4 BEA – 1,360,000.00 UZS;
- ❖ for issuing of License: does not exist.

### Validity of the license:

- ❖ unlimited.

### Monthly charges (fees):

- ❖ Does not exist.

### Documents to be submitted for obtaining a license:

- ❖ Application (the Application is formed through <https://license.gov.uz/>);
- ❖ a copy of the balance sheet together with the statement of financial results as of the last reporting date;
- ❖ availability of own funds not less than 1000 BEA for each sub-type of licensable activity.

## LICENSE FOR PRODUCTION, PROCESSING AND SALE OF OIL, GAS (INCLUDING COMPRESSED NATURAL AND LIQUEFIED HYDROCARBON GAS) AND GAS CONDENSATE

### Legal basis:

Annex No. 25 to the unified Regulation on the procedure for licensing certain types of activities through a special electronic system (RCM No. 80 dated 21 February 2022) [<https://lex.uz/docs/-5870213#-5873091>]

### Licensing organ:

- ❖ Inspectorate for Control over the Use of Electricity, Petroleum Products and Gas under the Ministry of Energy of the Republic of Uzbekistan.

### Applicants:

- ❖ Legal entities.

### Specialisations:

- ❖ extraction of oil, gas and gas condensate;
- ❖ processing of oil, gas and gas condensate;
- ❖ realization of oil, gas and gas condensate.

### Consideration of the application:

- ❖ within 20 business days;

### State fee:

- ❖ for consideration of application: 1 BEA – 340,000.00 UZS;
- ❖ for issuing of License: 10 BEA – 3,400,000.00 UZS.

### Validity of the license:

- ❖ 5 years.

### Monthly charges (fees):

- ❖ Does not exist.

### Documents to be submitted for obtaining a license:

- ❖ Application (the Application is formed through (<https://license.gov.uz/>));
- ❖ copies of documents confirming that the employees of the license applicant have qualifications that meet the requirements and conditions of the license;
- ❖ a document confirming the ownership of construction machines, mechanisms and transport, tools, electrical devices, control and measuring instruments, organizational equipment, computers or other material rights necessary for the implementation of the licensed type of activity;
- ❖ The conclusion of the relevant inspection of the state industrial safety committee that the minimum requirements for industrial safety in the implementation of the relevant type of oil, gas and gas condensate production, processing and sale activities have been met by the license applicant (*this requirement will be cancelled from 1 March, 2024*);

- ❖ The conclusion of regional departments of “Uzneftgazinspeksia” on compliance with the requirements of the normative document on the technical regulation of the state of installed technological processes and equipment (*this requirement will be cancelled from 1 March, 2024*);
- ❖ The minimum requirements for nature protection and ecology in the implementation of the relevant type of oil, gas and gas condensate extraction, processing and sale activities of the regional departments of the State Committee for Ecology and Environmental Protection of the Republic of Uzbekistan shall be set by the license applicant. the conclusion that it has been completed (*this requirement will be cancelled from 1 March, 2024*).

## LICENSE FOR DESIGN, CONSTRUCTION, OPERATION AND MAINTENANCE OF TRUNK GAS PIPELINES, OIL PIPELINES AND OIL PRODUCT PIPELINES

### Legal basis:

Annex No. 26 to the unified Regulation on the procedure for licensing certain types of activities through a special electronic system (RCM No. 80 dated 21 February 2022) [<https://lex.uz/docs/-5870213#-5873115>]

### Licensing organ:

- ❖ Inspectorate for Control over the Use of Petroleum Products and Gas under the Ministry of Energy of the Republic of Uzbekistan.

### Applicants:

- ❖ Legal entities.

### Specialisations:

- ❖ design of main gas pipelines;
- ❖ design of oil pipelines;
- ❖ design of pipelines of oil products;
- ❖ construction of main gas pipelines;
- ❖ construction of oil pipelines;
- ❖ construction of pipelines of oil products;
- ❖ use of main gas pipelines;
- ❖ use of oil pipelines;
- ❖ use of oil pipelines;
- ❖ repair of main gas pipelines;
- ❖ repair of oil pipelines;
- ❖ repair of oil pipelines.

### Consideration of the application:

- ❖ within 20 business days;

### State fee:

- ❖ for consideration of application: 1 BEA – 340,000.00 UZS;
- ❖ for issuing of License: 10 BEA – 3,400,000.00 UZS.

### Validity of the license:

- ❖ Unlimited.

### Monthly charges (fees):

- ❖ Does not exist.

### Documents to be submitted for obtaining a license:

- ❖ Application (the Application is formed through <https://license.gov.uz/>);
- ❖ information on technical equipment and the availability of regulatory and technical documents on the performance of licensed works;

- ❖ a document confirming the ownership of the necessary construction machines, mechanisms and means of transport, control and measurement or the existence of another material right;

- ❖ Conclusion of the Ministry of Construction of the Republic of Uzbekistan on the compliance of the material and technical base, the technology of work implementation with the legislative documents on design and construction (*this requirement will be cancelled from 1 March, 2024*).

## LICENSE FOR MEDICAL ACTIVITIES

### Legal basis:

Annex No. 27 to the unified Regulation on the procedure for licensing certain types of activities through a special electronic system (RCM No. 80 dated 21 February 2022) [<https://lex.uz/docs/-5870213#-7040315>]

### Licensing organ:

- ❖ Ministry of Health of the Republic of Uzbekistan.

### Applicants:

- ❖ Legal entities.

### Specialisations:

- ❖ according to the types of medical specialities in which medical activity is performed.

### Consideration of the application:

- ❖ in usual procedure – 20 days;
- ❖ in an accelerated procedure – 5 business days.

### State fee:

- ❖ for consideration of the application: 2 BEA – 680,000.00 UZS;
- ❖ for issuing of License: 5 BEA – 1,700,000.00 UZS.

### Validity of the license:

- ❖ 5 years.

### Monthly charges (fees):

- ❖ Does not exist.

### Documents to be submitted for obtaining a license:

- ❖ Application (the Application is formed through <https://license.gov.uz/>);
- ❖ A referral on the availability of equipment and other technical means, including medical equipment, necessary for the implementation of medical activities.

## LICENSE FOR PHARMACEUTICAL ACTIVITIES

### Legal basis:

Annex No. 28 to the unified Regulation on the procedure for licensing certain types of activities through a special electronic system (RCM No. 80 dated 21 February 2022) [<https://lex.uz/docs/-5870213#-5873130>]

### Licensing organ:

- ❖ Ministry of Health of the Republic of Uzbekistan.

### Applicants:

- ❖ Legal entities.

### Specialisations:

- ❖ production of medicines;
- ❖ preparation of medicines;
- ❖ wholesale sale of medicines.

### Consideration of the application:

- ❖ in usual procedure – 15 business days;
- ❖ in an accelerated procedure – 5 business days.

### State fee:

- ❖ for consideration of the application: 2 BEA – 680,000.00 UZS;
- ❖ for issuing of License: 10 BEA – 3,400,000.00 UZS.

### Validity of the license:

- ❖ 5 years.

### Monthly charges (fees):

- ❖ Does not exist.

### Documents to be submitted for obtaining a license:

- ❖ Application (the Application is formed through <https://license.gov.uz/>);
- ❖ A referral on the availability of relevant personnel;
- ❖ A referral on the availability of relevant buildings;
- ❖ A referral on the availability of relevant equipment.

## LICENSE FOR RETAIL SALE OF MEDICINES AND MEDICAL DEVICES

### Legal basis:

Annex No. 29 to the unified Regulation on the procedure for licensing certain types of activities through a special electronic system (RCM No. 80 dated 21 February 2022) [<https://lex.uz/docs/-5870213#-5873137>]

### Licensing organ:

- ❖ Ministry of Health of the Republic of Uzbekistan.

### Applicants:

- ❖ Legal entities.

### Specialisations:

- ❖ Retail sale of medicines and medical devices (except for retail sale of ophthalmic medical products).

### Consideration of the application:

- ❖ 10 days.

### State fee:

- ❖ for consideration of the application: 2 BEA – 680,000.00 UZS;
- ❖ for issuing of License: 10 BEA – 3,400,000.00 UZS.

### Validity of the license:

- ❖ 5 years.

### Monthly charges (fees):

- ❖ Does not exist.

### Documents to be submitted for obtaining a license:

- ❖ Application (the Application is formed through <https://license.gov.uz/>);
- ❖ A referral on the staff of the pharmacy and (or) pharmacy branch.

## **LICENSE FOR THE PRODUCTION, TRANSPORTATION, STORAGE AND SALE OF EXPLOSIVE AND POISONOUS SUBSTANCES, MATERIALS AND PRODUCTS WITH THEIR USE, AS WELL AS EXPLOSIVES**

### **Legal basis:**

Annex No. 30 to the unified Regulation on the procedure for licensing certain types of activities through a special electronic system (RCM No. 80 dated 21 February 2022) [<https://lex.uz/docs/-5870213#-6230470>]

### **Licensing organ:**

- ❖ Inspection for Control of Mining, Geological and Industrial Safety under the Ministry of Mining and Geology of the Republic of Uzbekistan.

### **Applicants:**

- ❖ Legal entities.

### **Specialisations:**

- ❖ Creation of explosive and poisonous substances, materials and products with their use, as well as explosives
- ❖ Manufacture of explosive and poisonous substances, materials and articles with their use, as well as explosives
- ❖ Transportation of explosive and poisonous substances, materials and articles with their application, as well as explosives
- ❖ Storage of explosive and poisonous substances, materials and articles with their use, as well as explosives
- ❖ Sale of explosive and poisonous substances, materials and articles with their use, as well as explosives).

### **Consideration of the application:**

- ❖ 10 days.

### **State fee:**

- ❖ for consideration of the application: 4 BEA – 1,360,000.00 UZS;
- ❖ for issuing of License: 10 BEA – 3,400,000.00 UZS.

### **Validity of the license:**

- ❖ Unlimited.

### **Monthly charges (fees):**

- ❖ Does not exist.

### **Documents to be submitted for obtaining a license:**

- ❖ Application (the Application is formed through <https://license.gov.uz/>);
- ❖ A referral on the name and legal form of the legal entity, its location (postal address), the name of the bank and its account in the bank;
- ❖ a list of qualified technical personnel authorized to carry out licensed types of activities agreed with the territorial bodies of internal affairs in the prescribed manner;
- ❖ a referral about the availability of the necessary equipment for the activity specified in the license;
- ❖ an action plan of the employee to eliminate dangerous situations related to licensed activities.

## LICENSE OF ACTIVITIES IN THE FIELD OF CIRCULATION OF IONISING RADIATION SOURCES

### Legal basis:

Annex No. 31 to the unified Regulation on the procedure for licensing certain types of activities through a special electronic system (RCM No. 80 dated 21 February 2022) [<https://lex.uz/docs/-5870213#-6230513>]
